

# Community Focused Initiatives

# Community Focused Initiatives

- Community Gain Fund (inputs are currently being requested as part of public consultation)
- Provision of parkland in the Thornton Hall area to compensate for habitat loss at the airport site
- Financial contribution towards the restoration of the historic formal gardens in the Ward River Valley Regional Park
- Funding for a 3 hectare active recreational hub including an all weather football pitch within the Swords area in support of FCC's Open Space Strategy
- Sponsorship of a study into the coverage and condition of hedgerows in Fingal
